

Construction: Hook body formed from stainless steel with the back left open for tension adjustment. All 4 corners welded and ground smooth. Mounting holes are countersunk to accommodate countersunk mounting screws. (Viking Products doesn't supply wall mounting screws) A stainless steel ball with attached pin should be adjusted to allow the hanging of light items while collapsing under heavy loads.

Size: 16" long x 4" high x 1" deep

Finish: Stainless steel tops: #4 finish.

Assembly: Arranged by Viking Products based on final scope of work.

Shipping: This product ships fully assembled.

Warranty: 1 year warranty (from date of final completion) against poor construction or manufacturer defect. This doesnot warrant against abuse or product tampering.
